<b>17 - THE COURSE: Please comment on course content, requirement or any other aspect of the course.</b>	
<b>Response Rate</b>	2/6 (33.33%)
<ul style="list-style-type: none"><li>• the class is very fast-paced and a lot of material is covered. going over homework really helped with future exams and my understanding.</li><li>• I really do not have much to say, the course works as is and is rather straight forward. My only concern is the information gets becomes extremely complex with multiple moving part. This makes an exam time of 50 minutes not enough to truly engage with the material or think on certain questions. My honest suggestion would be to give take home exams occasionally as the time provided is not enough to complete these exams.</li></ul>	

<b>18 - THE INSTRUCTOR: Please comment on the strengths and weaknesses of Supraja Gurajala. Would you take another course from this instructor? -</b>
